

HDMI™ 2-to-1 Video Switch

Connect up to 2 devices with HDMI connectors to an HDTV with 1 HDMI input

The Belkin PureAV HDMI 2-to-1 Video Switch allows you to connect to and switch among two high-definition, digital-video source devices through only one High-Definition Multimedia Interface™ (HDMI) or Digital Visual Interface (DVI)* connection on your high-definition television (HDTV).

Its quick adoption made HDMI one of the most common audio video connections available. It is used on high-definition components, such as HDTVs, up-converting DVD players, HD cable/satellite set-top boxes, entertainment computers, Blu-ray® and HD-DVD players. This has created a bottleneck at the HDTV connection—with a common scenario featuring two HDMI/DVI sources to only one HDMI/DVI input. The PureAV HDMI 2-to-1 Video Switch lets you connect two sources into one HDMI input on your HDTV. Then, simply select from among the source devices either by pressing the input-selector button on the Switch itself, or by using the included remote control to directly select a source.

The Switch offers an ideal way to connect digital displays such as HDTVs, plasma displays, DLP TVs, LCD TVs, and projectors. HDMI also provides an all-digital connection between such source devices as HDTVs, DVD players/recorders, HD-DVD and Blu-ray players, PlayStation® 3 and Xbox 360™ Elite systems, digital cable/satellite set-top boxes, and AV receivers.

*Although there are only HDMI connections on this device, you can use an HDMI to DVI cable to connect and switch between DVI components.

Benefits

- Connects up to 2 high-definition video sources into 1 HDMI port on your HDTV
- Supports 480i, 480p, 720i, 720p, 1080i, and 1080p resolutions
- Maintains highest HDMI single-link video resolution
- Works with HDCP-compliant devices
- Connects and switches both HDMI and HDMI to DVI cables
- Selects inputs from the IR remote control (supplied).

Package Includes

- HDMI 2-to-1 Video Switch
- IR Remote Control
- IR receiver extender

Specifications

Input Connector Type	HDMI (2)
Output Connector Type	HDMI (1)
Dimensions (LxWxH)	3.15 x 1.74 x 0.78 in. (80 x 44.2 x 20mm)
Product Weight (Net)	2.5 oz. (78g)
Compliances:	RoHS
